**A SOLENNNE DECRETVM**  
the Nationall Synod of GAP, in the pro-  
uince of Dauphine in France, publicly proclaimed, and  
ascribed to the publique Confession of the Church.

Here is the Bishop of Rome, heauing  
created a Monarchie in the Christi-  
an World, doth challenge and con-  
gate vnto himselfe, the Princelie au-  
thoritie ouer al Churches and Pastors,  
being so extreamely proud & puffed  
vpp, 1. That he calleth himselfe

God. 2. That he will be worshiped: And also at-  
tributeth vnto himselfe all power in Heauen and in  
Earth: ordereth Ecclesiasticall matters at his  
owne pleasure: frameth new Articles of Faith:  
Will haue the Authoritie of the Scriptures to de-  
pend of his own Authoritie, & interpreteth them as  
he listeth: exerciseth the marchandizing of soules,  
absolues men from their vewes and oathes: In-  
stituteth new worship of God. And in like manner  
(as concerning Ciuil affayres) treadeth vnder foote  
the lawfull authoritie of Magistrates, giuing, ta-  
king away, and translating Kingdomes: We  
doe stedfastly beleue, and constantly affirme, that  
hee (the Pope of Rome) is that GREATE AND  
PROPER ANTICHRIST, that Sonne of Per-  
dition, foretolde in the Word of God, that purple  
Harlot sitting vpon seauen hills in the greate  
Cittie, hauing obtained the kingdom ouer Kings  
of the earth. And we wait and expect, whilst that  
God according to his promise, and as hee hath be-  
gunne already, to waken and overcome him  
by the Spirit of his mouth, both at last viceriue  
confound and destroy him, by the brightnesse of his  
coming.

SENE AND ALLOWED.
